February 16, 2021

Weehawken Good News Notice!

In the time of the coronavirus pandemic, we thought it would be good to bring you up to date on the positive events around town. Every Tuesday, the notice will be updated, events permitting.

- To date, the Township's vaccination sites have vaccinated 1044 individuals plus another 105 scheduled this week. The only thing preventing us from increasing our vaccination level is the lack of vaccines, which everyone across the nation is facing. We hope to receive more vaccines shortly as distribution improves.

The State of New Jersey is Still in vaccine phases 1A and 1B.

- Registrations will begin Monday, February 22, 2021, for Boys & Girls T-ball ages 5 & 6, Major & Minor League Cal Ripken ages 7-12, Babe Ruth Baseball ages 13-15, Major & Minor League Cal Ripken Softball ages 7-12, and Babe Ruth Softball 13-15

The Township's Recreation Department will send out information on the registration process on Monday, February 22, 2021.
