Weehawken Good News Notice!

In the time of the coronavirus pandemic, we thought it would be good to bring you up to date on the positive events around town. Every Tuesday, the notice will be updated, events permitting.

- Beginning Monday, April 19th, the Township will be able to vaccinate all residents aged 18 and over without any medical conditions or criteria. We will also be able to vaccinate minors who are 16 and older (at this time, the Pfizer Vaccine is the only vaccine allowed for minors. Minors must have parental/guardian consent).

Currently, we do not know the number of vaccines that will be delivered next week. But as soon as those shipments are confirmed, new appointments will be put on the site. Please visit our website frequently. If you have not registered, please call 201-319-6005 or visit <https://northhudsonvax.us/weehawken> to register.

You can also register with Holy Name Hospital: <https://vaccine.holyname.org/> for vaccines at their West New York site.

- Annually the Weehawken Elks lodge 1456 Sponsors Weehawken High School Students for the New Jersey Elks Most Valuable Student Scholarship contest. Scholarships are awarded to students based on their scholastic and leadership qualities. Students must go through many rounds of judging at both the New Jersey State District and State levels.

Weehawken High School has two recipients of this year's Scholarship:

Patrick Loos, a New Jersey State Winner, and Misha Nair, a National Semi-Finalist. Misha is the first applicant from the Weehawken Elks Lodge to receive the Scholarship at the National Level. We would like to thank the Weehawken Elks Lodge for their support of the Weehawken School District and its students. And congratulate Patrick and Misha!
